VERNON TOWN CLERK  
09 SEP 24 PM 12:18**PLEASE POST MEETING CHANGE**

The Transportation Committee meeting for October will be held on Monday October 19, 2009 and not on October 26 as previously scheduled. Same time: 12 noon and same place: CRRA. Please mark your calendars.

Also, I wanted to let you know that an updated version of the Air Quality Analysis associated with the draft FFY2010-2013 TIP has been posted to the CRCOG website at: [http://www.crcog.org/transportation/tip\\_proj/tip.html](http://www.crcog.org/transportation/tip_proj/tip.html)  
The expected emissions changed slightly -- both up and down, for a negligible difference.
